FINAL ACTION

Applicant's amendment of 7-17-03 has been fully considered. Claims 12 and 14 have been cancelled, leaving claims 1-11, 13, 16-25 and 34 for consideration. The amended claim 1 has included the definitions for variables "Ar" and "Het", and thus it has overcome the previous 112/2nd rejection. However, it raises a new 112/2nd presented below.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

1. Claims 1-11, 13, 15, 18-25, and 34 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. The following reasons apply:

- a. Claim 1 recites R' with two different definitions. In one place, R' is defined as "H, C₁₋₆alkyl, Ar-C₀₋₆alkyl, or Het-C₀₋₆alkyl". However, in the definition of 'Ar', R' can also mean "phenyl, or naphthyl substituted with..." Also, in the definition of 'Ar', R' is defined in term of R' (e.g., OR', N(R')₂, SR'...). Thus, the metes and bounds of R' are indefinite.

- b. In claim 1, the definitions of 'Het' and 'Ar' include R' which in turn is defined in terms of 'Het' and 'Ar'. Thus, it is unclear what 'Het' and 'Ar' can be in such instances.

- c. Claim 5 is improper because it recites “wherein R⁵ in said R¹ group” while R⁵ is actually in R⁴, and not R¹.
- d. Claims 2-11, 13, 15, 18-25, and 34 are rejected as being dependent on claim 1, and carrying over the limitations of ‘Ar’, ‘Het’, and R’.

Claim Objections

2. Claims 16 and 17 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Said claims recite species that are not found in prior arts of record.

3. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event,

however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
